

# HAKONE GORA BYAKUDAN

箱根強羅白檀

- The natural and stylish high-end hideaway, hot spring resort surrounded by 12,000 sqm of beautiful forest in the mountains of Hakone Gora, a luxury hot spring resort close to the Tokyo metropolitan area.
- Concept centered on the dignity, efficacy, and fragrance of noble fragrant sandalwood.
- Architect that represents modern Japanese architecture (Shoji Hayashi), boldly incorporating nature, furnished masterpiece furniture.
- All of 16 guest rooms with natural and stylish Japanese-modern furnishings, natural scenery, open-air baths with free-flowing hot springs.
- Focusing on quality and dignity, delicate and splendid modern kaiseki cuisine using carefully selected ingredients from all over the country reflecting the four seasons.
- From the moss garden front yard with deciduous trees, looking out dramatic scenery of the Hakone mountains from the open-air large public bath with natural free-flow hot spring water.
- Service a listening to the scent of sincerity, just like hearing the scent of sandalwood
